Suekichi Whisky

Award Winning Japanese Whisky

WHO WE ARE

We are Suekichi Whisky.

A Japanese whisky brand built on the grounds of creating the best whisky that represents a legacy. By doing so, we want to share this premium product with those of the world to spend quality time, while life allows us to. We are a family-owned brand who is partnered with an authentic Japanese distillery. The brand owners consist of a father-son duo, Masa & Alec. The history of Suekichi Whisky begins with the name itself. 3 generations. A brand pulled together by a Legacy.

Started by Masa, the name derives from his father, who is also, Alec's grandfather. Masa & Alec made this brand as an ode to his passing. As it soon became much more, we realized, this is something that is to be shared.

Pronounced : [sue·EH·kee·chee]
